One other strategy is to test out prices by making a variety of duplicate sales pages with completely different prices on each page. Make sure that your gross sales copy is exactly the

identical on every web page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum price is.

Ultimately, should you've written a e book that solves a problem or presents a brand new method, your e book will bring in both site visitors and profits. So remember to write that promoting-handle sentence that sums up what downside your e book solves and what the advantages of your 1015 ebook will probably be to the customers who buy it.
