Marketing Methods

and the advantages your ebook can provide. Then be sure to use that sentence in every piece of sales and promotional materials, and each time anyone asks you about your ebook.

An efficient method for figuring out a value is to ship out a survey to your current customers. If these prospects have already bought an e-book from you, ask for their opinion in terms of price. Do this by making a sales web page for the brand new book, however do not include a price on that page. Another technique is to test out costs by making a variety of duplicate gross sales pages with totally different prices on every page. Ensure your gross sales copy is exactly the same on each page, and includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and gross sales of your book. It will let you know what your optimum value is.
