Nevertheless, in case your ebook accommodates worthwhile ? and more importantly NEW data, references, or strategies ? then you should aim to cost it on the high end.

After you determine your purpose, you should work out what your viewers's want is in your ebook. For example, does your book solve a particular problem? If you wish to see large earnings over buyer draw, purpose for an audience that is on the lookout for straightforward solutions to their issues at a low price. In case your book is aimed at solving one particular downside quite than common advice, then you can cost more. Begin at the highest value the market will bear to herald the largest income, and plan to low cost the book a number of occasions all through the year.
