by making a sales page for the new guide, but do not embody a price on that page. Instead, add quite a few links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out costs by making a variety of duplicate sales pages with totally different costs on each page. Make sure your gross sales copy is precisely the identical on each web page, and consists of your selling-handle sentence. Then figure out for every page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum price is.

Finally, if you've written a e book that solves a drawback or presents a brand new approach, your e-book will bring in each visitors and profits.
