Another technique is to test out prices by making a variety of duplicate sales pages with completely different costs on every page. Ensure your sales copy is strictly the similar on each page, and

includes your promoting-handle sentence. Then work out for each web page the conversion ratio between guests to your web site and gross sales of your book. This will inform you what your optimum worth is.

Finally, for those who've written a e book that solves a downside or presents a brand new approach, your e book will usher in both visitors and profits.
