An effective technique for figuring out a value is to send out a survey to your present customers. If these clients have already bought an e-book from you, ask for their opinion when it comes to price. Do that by creating a gross sales web page for the new guide, but do not embody a value on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Ensure your sales copy is strictly the identical on every page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum price is.
