If these customers have already bought an ebook from you, ask for his or her opinion in terms of price. Do this by creating a gross sales page for the brand new guide, however don't include a worth on that page. As a substitute, add a number of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Ensure your sales copy is precisely the same on each web page, and includes your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum value is.

In the end, in case you've written a book that solves a downside or presents a brand new method, your ebook will herald both site visitors and profits.
