If these prospects have already purchased an e-book from you, ask for his or her opinion when it comes to price. Do that by making a gross sales page for the new e book, however don't embrace a price on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out costs by making a variety of duplicate gross sales pages with completely different costs on each page. Ensure your gross sales copy is strictly the similar on each web page, and contains your selling-handle sentence. Then determine for each page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum price is.

Ultimately, should you've written a e-book that solves a drawback or presents a brand new approach,

your book will usher in both traffic and profits. So make sure to write that selling-handle sentence that sums up what downside your guide solves and what the advantages of your 1596 book will likely be to the purchasers who purchase it. After which watch your market come to you!
