Do this by creating a sales page for the new book, but do not embrace a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate sales pages with different prices on each page. Be certain your sales copy is strictly the same on every page, and includes

your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. This can let you know what your optimum value is.

Finally, if you've written a guide that solves a downside or presents a new approach, your e-book will herald both visitors and profits. So be sure to write that promoting-handle sentence that sums up what problem your guide solves and what the benefits of your 1636 ebook will likely be to the purchasers who purchase it.
