Do this by making a gross sales web page for the brand new e book, but don't embody a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to test out prices by creating a variety of duplicate sales pages with different costs on each page. Ensure that your sales copy is exactly the similar on every page, and consists

of your selling-deal with sentence. Then figure out for every web page the conversion ratio between guests to your website and sales of your book. It will let you know what your optimum price is.
