An efficient technique for figuring out a value is to send out a survey to your current customers. If these customers have already bought an e book from you, ask for their opinion in terms of price. Do this by making a gross sales page for the new e-book, however do not embody a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out prices by creating a number of duplicate sales pages with different costs on each page. Be sure your sales copy is exactly the similar on each page, and

consists of your selling-deal with sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. This will let you know what your optimum price is.

Ultimately, in the event you've written a e book that solves a downside or presents a brand new approach, your book will bring in each site visitors and profits.
