Do that by making a gross sales page for the new e-book, however do not include a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by creating a variety of duplicate sales pages with different prices on each page. Make certain your gross sales copy is precisely the same on every web page, and

consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between visitors to your web site and sales of your book. It will inform you what your optimum value is.

In the end, if you happen to've written a e-book that solves a downside or presents a brand new approach, your ebook will bring in each site visitors and profits.
