Determine if your goal is to get extensive distribution and maximum exposure. ## Advertising Strategies

The important thing that unlocks the gross sales potential of your e-book is to find a single sentence that becomes your selling handle. This sentence states what question or drawback your e book answers and the benefits your e-book can provide. Then be sure to use that sentence in every

piece of gross sales and promotional material, and every time anybody asks you about your ebook.

Apart from selling your books assiduously on-line, there are several other strategies that may enable you sell extra books.

One is to provide something away at no cost along with your e book, resembling a priceless bonus item. Or bundle several ebooks below one value, which lowers the value for every book if they were offered separately.

An effective technique for figuring out a value is to send out a survey to your current customers. If these clients have already purchased an e book from you, ask for their opinion by way of price. Do that by making a gross sales web page for the brand new guide, however do not embody a worth on that page. As a substitute, add various links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out costs by creating a variety of duplicate sales pages with completely different prices on every page. Be certain that your gross sales copy is exactly the similar on each page, and consists of your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum price is.

Ultimately, for those who've written a guide that solves a drawback or presents a new technique, your guide will bring in both site visitors and profits. So you'll want to write that promoting-handle sentence that sums up what downside your e-book solves and what the benefits of your 2377 book can be to the customers who buy it. And then watch your market come to you!
