If these clients have already bought an ebook from you, ask for his or her opinion when it comes to price. Do that by creating a sales page for the new e-book, however do not embrace a worth on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out prices by creating a number of duplicate gross sales pages with different prices on each page. Be sure your gross sales copy is exactly the identical on every page,

and includes your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and gross sales of your book. This can let you know what your optimum worth is.

Finally, should you've written a book that solves a problem or presents a new method, your e book will bring in both visitors and profits.
