Do that by making a gross sales page for the new ebook, but don't embody a value on that page. Instead, add quite a few links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by making a number of duplicate sales pages with different prices on every page. Be certain your sales copy is strictly the same on each page, and consists of

your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum price is.
