Another strategy is to check out prices by making a variety of duplicate sales pages with different costs on every page. Make certain your sales copy is exactly the identical on each web page, and

contains your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This may let you know what your optimum price is.

In the end, if you happen to've written a guide that solves a drawback or presents a brand new technique, your e-book will herald each visitors and profits. So make sure to write that promoting-deal with sentence that sums up what problem your e-book solves and what the advantages of your 380 ebook can be to the shoppers who purchase it.
