Begin on the highest price the market will bear to herald the largest income, and plan to low cost the e book a number of times throughout the year.

Do that by making a gross sales page for the new e book, however do not include a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out costs by making a number of duplicate sales pages with different costs on every page. Ensure that your gross sales copy is strictly the similar on every page, and contains your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. This can tell you what your optimum worth is.

Ultimately, for those who've written a e-book that solves a problem or presents a brand new method, your guide will usher in both visitors and profits.
