Do that by creating a sales page for the brand new ebook, however don't embody a value on that page. Instead, add a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out prices by creating a number of duplicate sales pages with different prices on every page. Make sure that your sales copy is strictly the identical on each page, and

consists of your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum value is.

In the end, if you happen to've written a ebook that solves a problem or presents a new method, your guide will herald both visitors and profits.
