An effective approach for determining a worth is to ship out a survey to your present customers. If these prospects have already purchased an book from you, ask for his or her opinion by way of price. Do this by making a gross sales page for the new book, but do not include a worth on that page. As an alternative, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to check out costs by creating a variety of duplicate sales pages with totally different prices on each page. Make certain your gross sales copy is precisely the same on each

page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your site and gross sales of your book. This may let you know what your optimum worth is.

In the end, when you've written a e-book that solves a downside or presents a new technique, your ebook will usher in both site visitors and profits.
