Advertising Strategies

The key that unlocks the sales potential of your book is to find a single sentence that becomes your promoting handle. This sentence states what question or drawback your e-book solutions and the benefits your ebook can provide. Then you'll want to use that sentence in every piece of gross sales

and promotional material, and each time anybody asks you about your ebook.

One is to present something away without spending a dime together with your book, akin to a helpful bonus item. Or bundle a number of ebooks below one worth, which lowers the worth for every book if they had been bought separately.

An effective method for figuring out a value is to ship out a survey to your current customers. If these clients have already bought an book from you, ask for their opinion in terms of price. Do that by making a gross sales web page for the brand new e-book, but don't include a worth on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out costs by making a number of duplicate sales pages with different costs on every page. Be sure that your sales copy is precisely the same on each page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. It will let you know what your optimum worth is.

In the end, for those who've written a e book that solves a problem or presents a new method, your e book will herald each traffic and profits.
