Do that by creating a sales page for the brand new ebook, but do not embrace a worth on that page. Instead, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out prices by creating a variety of duplicate gross sales pages with completely different costs on each page. Be certain your gross sales copy is strictly the identical on each page, and includes your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This may tell you what your optimum worth is.

In the end, for those who've written a e book that solves a problem or presents a new method, your book will herald both site visitors and profits. So you'll want to write that selling-handle sentence that sums up what problem your book solves and what the benefits of your 902 guide shall be to the customers who buy it.
