Do that by creating a gross sales page for the brand new e book, however do not include a worth on that page. As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by making a variety of duplicate gross sales pages with totally different prices on each page. Be certain your sales copy is strictly the identical on each web page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. This may inform you what your optimum worth is.

Finally, should you've written a guide that solves a problem or presents a brand new method, your e-book will herald each site visitors and profits.
