Do that by creating a sales page for the brand new ebook, however don't embody a price on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with completely different costs on every page. Be sure that your gross sales copy is exactly the identical on each page, and contains your selling-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your web site and sales of your book. It will tell you what your optimum price is.
