Another strategy is to test out prices by making a variety of duplicate gross sales pages with totally different prices on every page. Be sure your sales copy is strictly the identical on every

page, and includes your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This will inform you what your optimum worth is.

Finally, in the event you've written a book that solves a drawback or presents a brand new approach, your ebook will herald each site visitors and profits.
